FOR IMMEDIATE RELEASE

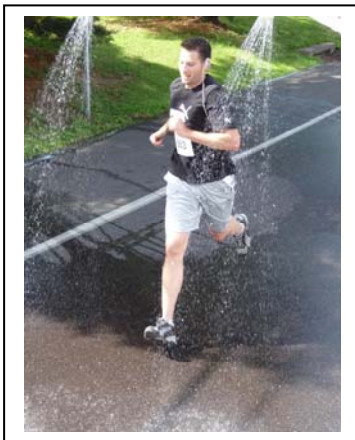

PTW and DeVal chapter of National Hemophilia Host 5 mile Race in Lansdale!

Lansdale, Pa— On Saturday, May 15th, The Physical Therapy & Wellness Institute (PTW) and the DeVal Chapter of the National Hemophilia Foundation hosted over 800 runners for the second annual 5-mile Broad Street ReRun. Escorted by the Upper Gwynedd Police, this race ended with refreshments, music, awards ceremony, and a presentation to State Senator Bob Mensch for his support of children with Blood diseases. All proceeds benefited the DeVal Chapter of the National Hemophilia Foundation, in honor of little Alex Rowe, a 8 year-old Lansdale native with Hemophilia. Alex was at the finish line welcoming in the winners!

This annual event will take place next year on Saturday, May 14th, so mark your calendars now.

Alex Rowe

PTW shower of relief on a warm day for runners!

Broad Street ReRunners Headed Down South Broad Street in Lansdale

PTW—Physical Therapy & Wellness Institute—has been offering quality care for those recovering from injuries, surgeries, muscle traumas and skeletal disorders since 2002. PTW also offers pre-operative conditioning, medically based exercise programs, and sports training services with locations in Lansdale, Montgomeryville, and Quakertown, PA.

For more information on PTW, visit their website at: www.ptwinstitute.com, or contact Robert Babb, PTW founder and CEO, at (215) 855-9871.
